Product brochure

> These all-in-one A4 colour multifunctional devices cover your daily business requirements with print, copy, scan and fax functions.

> The e-STUDIO338cs and e-STUDIO388cs help streamline your business' document workflow with a productivity of up to 33/38 pages per minute.

> Cutting edge technology ensures your colour print jobs do not come to a halt, simply select to continue printing in monochrome instead.

> Impeccable print quality ensures consistent yet impressive document output, from the first print to the last.

**TOGETHER INFORMATION**

AN ASSET TO ANY WORKGROUP

The e-STUDIO338cs and e-STUDIO388cs are an asset to any business or workgroup that requires productivity, reliability and ease of use. These compact A4 multifunctional devices offer a remarkable image quality that give your documents the wow-factor.

Even challenging print jobs can be fullfilled, thanks to a clever range of options and solutions. A maximum paper capacity of 1,451 sheets ensures large print jobs run with ease. The optional Dual Scan Document Feeder of the e-STUDIO388cs allows your business to move to digitalisation easier and quicker than ever, with its speedy processing time of up to 94 images per minute.

The tiltable, colour touch panel and keypad offer a straight-forward way to access all the device's functions and features. At Toshiba we take the privacy of your data seriously, so an optional card reader can be added to the e-STUDIO388cs for an extra layer of security – giving you full control over who has access to sensitive business data.

Together Information is Toshiba's vision for how people and organisations create, record, share, manage and display ideas and data.

It is based on our belief that the most successful organisations are those that communicate information in the most efficient way.

We make that possible through an integrated portfolio of industry-specific solutions, all of which reflect Toshiba's commitment to the future of the planet.
